

DILWORTH SOUP KITCHEN

CANNED FOOD DRIVE SUGGESTIONS

In addition to providing healthy lunches two days a week, Dilworth Soup Kitchen also provides non-perishable grocery offerings to our guests to help sustain them and their families until they can come for their next meal. As the demand for food has increased, keeping our pantry shelves stocked has become harder. If your organization would like to sponsor a canned food drive, please contact us to coordinate.

Below is a list of suggested items our guests use the most. You can select as few or as many items as you like.
